## TERMS OF SALE

SATISFACTION IS GUARANTEED. Anything that is purchased, and is not satisfactory, may be returned within three days after receipt, and we will cheerfully refund your money in full. We do request, however, that you return the purchase in its original envelope. We shall endeavor to give the best specimen available for the price.

PRICES. All merchandise listed in the Catalogue has been fairly priced. The price, of course, is determined by the replacement costs. All prices are strictly net, and no discounts can be allowed. Because of the rapidly changing market, we reserve the right to change any price or prices without notice.

TERMS ARE CASH. All orders under \$3.00 we must respectfully decline. Due to the increased cost of handling and doing business, we must make this rule. We would appreciate it if you would hold small orders until at least this total is reached.

POSTAGE ON ORDERS. When ordering, please include 25 cents to cover postage and insurance charges.

CONDITION OF COINS. All coins are definitely described according to individual condition of each coin. We feel our "grading" is conservative, and when there is any doubt we shall give the customer the full benefit.

SUPPLEMENTARY LIST. As our stock is constantly changing, it would be appreciated if you would list a Second Choice. We will always send your First Choice, when available.

### GOLD TYPE COIN.

SCARCE EARLY \$2.50  
GOLD TYPE COIN

1807 - second type of the early gold Quarter Eagle series - is the cheapest date available. The piece we have for sale is A. U. or better. No evidence of wear, and has no nicks or scratches. A real beauty and reasonably priced at -

\$1250.00

## ANYONE FOR A SET OF CARSON CITY \$20 GOLD?

We have available a set of 18 beautiful CC \$20 pieces ending with the last year of issue (1893), and going back to 1871. The set is mounted in beautiful black lucite holder, and is gold stamped. Condition is the highest quality that a collector could obtain in his twelve years of building the series. Some of the coins have a Proof surface and some are in Extremely Fine condition. It is an unusually choice collection and reasonably priced at

\$3250.00

## U. S. FOUR DOLLARS GOLD (Stella)

### WHO DOES NOT WANT A \$4 GOLD PIECE??

There is hardly a collector who would not desire to own a "STELLA" as they are called, if his budget permitted.

There were only 415 pieces struck. How far can that go, with hundreds of thousands of collectors active today, with still more to come?

We have available a beautiful piece, in white lucite holder, with gold stamping, and would designate it as nearly uncirculated with a proof lustre. It is fairly priced at

\$5,250.00

## 1ST YEAR \$20 GOLD

### 1850 - THE FIRST YEAR OF \$20 GOLD

One coin, in strictly Very Fine condition, available for \$110.00. Another, in Extremely Fine, and a very attractive coin, is available for

\$175.00

# OUTSTANDING ITEMS FROM RARCOA

## R A R E 1909 HISTORICAL MEDAL

1909 HUDSON-FULTON Commemorative issued by American Numismatic Society. Obverse has shipboard scene of Henry Hudson anchoring at mouth of Hudson River. Reverse: Allegorical figures of three women, holding the steamboat commemorating the first usage of steam in navigation on the Hudson River. Background has bust of Robert Fulton.

In connection, our government issued Hudson-Fulton commemorative stamp, which is now scarce, and sought after.

This historical beauty is a giant 4" in diameter; is stamped on edge: STERLING, by Whitehead and Hoag, and is encased in the original stamped, plush case. The weight is over ten ounces. We do not know the number issued, but over a period of 30 years, this is only the second piece we have handled!

We have it priced at \$250, based upon cost, but it is possible that it may be of extreme rarity with only a very limited few known.

Price -- \$250.00

**Rare Coin Company  
of America**

## PANAMA PACIFIC - THE ONLY \$50.00 GOLD PIECE ISSUED FROM THE U.S. MINT!

This beautiful Octagonal shaped piece is available in the original plush case. An outstanding piece, portraying Minerva, goddess of Wisdom, and the Owl, symbol of Wisdom, it is truly the "dream" coin of almost all numismatists.

There were only 645 pieces minted; it certainly would be a "wise" move to obtain such a coin.

Price -- \$4,250.00

## RARE \$15 BILL!!!

We refer to the 1934-D \$5 Lincoln, printed in error with a \$10 back. If it is \$5 on one side, and \$10 on the other, should it be a \$15 bill, or a \$7.50 bill?

Whatever you call it, this one thing is certain -- IT IS RARE! Whether you care to spend it for \$5, \$7.50, \$10 or \$15, or never spend it, is up to you. It was an honest error. We have it for sale.

Price -- \$975.00

## PIONEER GOLD COINS

\$1.00 NORTH CAROLINA GOLD

Was issued by Christopher Bechtler between 1830-1852 in Rutherford County, N.C. Is the 30 grains variety. We offer a choice, uncirculated specimen at

1859 \$5.00 MORMON GOLD

Issued by Mormons, in Salt Lake City, Utah. A highly historically interesting coin, which was issued at the instigation of Brigham Young. A numismatic "gem" in Almost Uncirculated condition. The former owner of this coin spent a good many years in looking for this specimen. We offer it with much pride.

\$625.00

1849 MOFFAT & CO., \$5 GOLD

\$175.00

1849 \$5.00, OREGON  
EXCHANGE COMPANY

\$1150.00

1852 \$50.00, UNITED STATES  
ASSAY OFFICE

The ever-famous and popular "Slug!" Is perhaps one of the best known "Territorial" or "Private Gold" coins. We offer the "887 Thous." variety, in Fine condition, at

\$1750.00

Rare Coin Company

# PIONEER GOLD COINS

## 1860 \$10 CLARK GRUBER & CO.

Issued by Clark Gruber and Company, Denver, Colorado. The famous, and VERY RARE "Pike's Peak" coin. This is a most unusual item, in Extremely Fine condition.

\$975.00

## 1853 \$20.00, UNITED STATES ASSAY OFFICE

This very lovely coin is a companion piece to the \$50 "Octagonal Slug;" was also issued by the U. S. Assay Office. This is the "900 Thous." variety, and is in Extremely Fine condition.

\$650.00

## 1861 \$10 CLARK GRUBER & CO.

L - 29 \$20.00 or 20 Piastres Note. Because of the heavy French population in New Orleans, this note was given the term "Piastres" as well as "dollars." The Piastre was the French equivalent of the dollar. Inscriptions appear in both French and English. The obverse is a soft gray with a delicate script "Twenty" imprinted in green. The reverse is a deep and brilliant red-orange. This is quite a rare note! One leading authority believes that there are not more than 500 in existence today. We offer a crisp uncirculated note for...\$12.50

### A THOUSAND DOLLAR BILL!

# HIGH-INTENSITY LAMPS

## FOLD-AWAY UTILITY LAMP

Folds to 10"x2½"x4". Provides a glare-free high intensity, concentrated light. At average distances the light is much greater than that from a 150 Watt bulb, and is 150 candles at 12" from lamp to object. Has 3 friction joints for increasing or decreasing height, and in extreme position the arm is 15" long. The shade is cork insulated and is 2¼" in diameter. Three GE 1133 Bayonet type bulbs are supplied. An independent electrical outlet is located on the base and can be used when the lamp is on or off. Finish in Medium Gray Wrinkle.

This compact unit is ideal for determining mint marks, and other fine details on coins, medals and currency, and we highly recommend this fine instrument in every case where fine, strong, concentrated lighting is required. An ideal unit for lighting coin displays, providing light for Coin Shows and Exhibits; actually, this has many, many uses other than the field of numismatics. Highly recommended and used by engineers, designers, inspectors, technicians, mechanics, assemblers too, also die makers, jewelers, etc.

Each unit is complete, including a neat, sturdy carrying case.

\$19.95

## SUB-MINIATURE LAMP

Folds to a tiny size of 6½"x2"x3½". For sub-miniature or micro-assembly use where space is at a premium. Reflector shade has an outside diameter of only 1¼". Swivels 160° and extends to 10" in extreme position. Intensity 80' candles at 6". Has on/off switch. Lamp easily fits into tool box or attache case. Ideal for lighting up hard-to-get-at places. Three GE 55 Bayonet type bulbs supplied. Finish in Medium Gray Wrinkle. Magnetic base.

This unit is similar to the above in all respects, but is smaller in size. Carrying case is also included.
